

Dead Ringer

The Strangers

One, two, three, four! Haven't I seen you somewhere around before?

Haven't I seen you somewhere around before?

Then you're a dead ringer

Then you're a dead ringer

Then you're a dead ringer

Then you're a conkerroonee stringer Wasn't it you said you was into changing the law?

Wasn't it you said you was into changing the law?

Then you're a dead ringer

Then you're a dead ringer

Then you're a dead ringer

Then you're a conkerroonee stringer Wasn't it you running around proud of being poor?

Wasn't it you running around proud of being poor?

Then you're a dead ringer

Then you're a dead ringer

Then you're a dead ringer

Then you're a conkerroonee stringer Productivity

Credibility

Impossibility
