

Piece Of My Heart

Sammy Hagar

Didn't I make you feel, like you were the only one
And didn't I give you everything I could
Well didn't I get it to you now baby After all the love I gave you
There was never enough
Well I'm gonna show ya baby
That this man can get tough Just come on, come on
Come on, come on and
Take a
Take another little piece of my heart now baby
Oh oh break a
Break another little piece of my heart and throw it away
Oh oh take a
Take another little piece of my heart now baby
You know you got it if it makes you feel good, oh yeah And out there in the streets lookin' good
And in your heart you know that it ain't right, it just ain't right
Yeah and you never, never, never, never hear me when I cry all night I keep tryin' to tell myself that I can't
stand the pain
But then you hold me in your arms, ooh baby
And I gotta say it again Just come on
Come on
Yeah come on
Come on
Take a
Take another little piece of my heart now baby
Oh oh break a
Break another little piece of and just throw it away
Oh oh take a
Yeah take another little piece of my heart now baby
You know you got it if it makes you feel good Oh just come on
Come on
Come on
Come on and take a
Take it baby, just break my heart again
I don't need it, I don't want it
You can take it, take it baby
You know you got it if it makes you feel good Just come on oh yeah
Come on
Take a
Take another little piece of my heart now baby

Oh oh break a
Break another little piece of and just throw it away
Oh oh take a
Take another little piece of my heart now baby
Oh oh break a
Take it and take it, take it, take it, and break it baby Oh oh take a
Another little piece of my heart now baby
Oh oh break a
Just take a piece and break it off and just throw it away
Oh oh take a
And I don't need, I don't need
Oh oh break a
