

# Come Together

## Primal Scream

Come together oh, oh, come together oh, oh  
Come together oh, oh, come together  
Kiss me, won't you, won't you, kiss me, won't you, won't you, kiss me  
Lift me right out of this world trip me, won't you, won't you trip me  
Won't you, won't you trip me, lift me, ride me to the stars  
I'm free, you're free, I want you to touch me  
Come touch me, now it's all too much  
All too much, all too much  
Come together oh, oh, come together oh, oh  
Come together as one, come together as one  
Up and away come, together oh, yeah  
Up and away  
This is a beautiful day, it is a new day  
We are together, we are unified and all for the 'cause  
Because together we got power, apart, we got power  
Today on this program you will hear gospel  
And rhythm and blues and jazz  
All those are just labels  
We know that music is music  
Today on this program you will hear gospel  
And rhythm and blues and jazz  
All those are just labels  
We know that music is music

Come together as one, come together as one  
Come together as one, come together as one  
Come together as one  
Come together as one, this a beautiful day  
It's a new day  
Come together as one, this a beautiful day  
It's a new day  
We are together, we are together  
We are together, we are unified  
We are together, we are unified because together we got power  
Apart we got power, we are together  
Today on this program you will hear gospel  
And rhythm and blues and jazz  
All those are just labels  
We know that music is music

Come together as one, come together as one  
Come together as one, come together as one  
Come together as one  
Rock the boat, get off the boat, rock the boat, get off the boat  
Rock the boat, get off the boat, we are together, we are unified  
Come together
