

# Before the Darkness

## Angry Johnny and The Killbillies

I was cut real bad...  
I was cut to the quick...  
I was leakin blood...  
I was feeling sick...  
and I was thinkin...  
I was thinkin...about you...

I sat down there...  
by that mountain stream...  
closed my eyes and i began...to dream  
I was dreamin... oh i was dreamin... about you..

His lifeless corpse...  
Laid there next to me...  
His dead ass stare...  
up in...the sky  
How he'd never..  
oh how he would never..  
hurt you again..

I wish to god..  
that i could touch your face..  
feel your skin..  
taste your kiss again..  
one last time..  
before the darkness.. falls on me..

I was cut real bad..  
Cut to the quick..  
I was leaking blood..  
i was feelin sick And I was thinkin...  
Lord i was thinking..  
about you..  
I was thinkin..I was thinkin..  
about you....about you...
