

# Looking for Love (2018 Remaster)

## Whitesnake

I'm tired of waiting and closing my eyes  
I'm asking myself  
Why is it all my horizons  
Are so far away? I look in the mirror, don't like what I see  
In my reflection  
A stranger is staring at me  
Looking for love The love of a woman, the needs of a man  
I try so hard to believe  
But I don't understand  
The search goes on But over the mountains, across the sea  
I know love is waiting  
I hear it calling to me  
Calling my name  
I'm looking for love all around me  
Looking for love to surround me  
The love that I need  
To rescue the state of my heart, yeah Alone again, it's always the same  
I've just been marking my time  
Since the day I was born  
With no one to blame The candle is burning, it's way down low  
I just need someone  
To show me the way, the way to go  
Which way to go I'm looking for love all around me  
Looking for love to surround me  
The love that I need  
To rescue the state of my heart  
I'm looking for love  
And finding only heartache  
I'm looking for a love  
And finding only heartache I'm looking for love to rely on  
Looking for love, a shoulder to cry on  
I'm looking for love  
To rescue the state of my heart  
To rescue the state of my heart  
Ooh, baby I'm looking for love  
And finding only heartache  
I'm looking for a love  
And finding only heartache I'm looking for love to rely on  
Looking for love, a shoulder to cry on

I'm looking for love  
To rescue the state of my heart I'm looking for love  
And finding only heartache  
Looking for a love  
And finding only heartache I'm looking for love to rely on  
Looking for love, a shoulder to cry on

I'm looking for love  
To rescue the state of my heart  
To rescue the state of my heart  
To rescue the state of my heart  
To rescue the state of my heart  
To rescue the state of my heart  
To rescue the state of my heart  
To rescue the state of my heart  
To rescue the state of my heart  
To rescue the state of my heart  
To rescue the state of my heart
