I told her bawo ni

I told her I'm Wale

I told her mitchew, omale come drop for me
Lagos hot you see me in the V, no top with me
Hands high, could you shout for me? Oh!
Drop it like it's bacon
All blue Mercedes, I'm pruisin' out Lagos
I got it, designer on my lady
But I ain't really trippin' cause I'm tryna get you naked
Ginadi, it's prolly where they staying
Since I dropped Gifted all the chickens in my stable
Green and White flags so consistent with the paper
Me and Wiz got a lock like a Ras from Jamaica
Could you drop for me? Make it talk to me?
Then make it park for me? Like your corrupt police
Take some shots to me, we livin' comfortably
Cause they can never ever ever ever fuck with me[Chorus] 2x

Let your panty drop for me
Baby girl put it down
Baby girl yema s'oyinbo oh
Let your panty drop for me
Baby girl, come close
Baby girl, I want a lot more
Let your panty drop for me
With the way you put it down
Baby girl I can't say no
Let your panty drop for me
Oh baby girl put it down
My girl, I love your style[Wizkid]
Baby girl, say you dey kill me
Oh eh, I'm a Naija boy and I get money
Oh eh, we're number one in every season
Oh eh, so baby girl just follow me[Chorus] 2x
Let your panty drop for me
Baby girl put it down
Baby girl yema s'oyinbo oh
Let your panty drop for me
Baby girl, come close
Baby girl, I want a lot more
Let your panty drop for me
With the way you put it down
Baby girl I can't say no
Let your panty drop for me
Oh baby girl put it down
My girl, I love your style
