

# I Believe In You and Me

## Four Tops

I believe in you and me  
I believe that we will be  
In love eternally  
Well as far as I can see You will always be the one for me  
Oh yes you will  
I believe in dreams again  
I believe that love will never end And like the river finds the sea  
I was lost, now Im free  
'Cause I believe in you and me I will never leave your side  
I will never hurt your pride  
When all the chips are down  
I will always be around Just to be right where you are  
My love, oh I love you girl  
I will never leave you out  
I will always let you in To places no ones ever been  
Deep inside, cant you see  
I believe in you and me Maybe Im a fool  
To feel the way I do  
But I will play the fool forever  
Just to be with you forever I believe in miracles, loves a miracle  
And baby youre a dream come true  
I was lost, now Im free girl  
I believe in you and me I was lost, now Im free  
I believe in you and me
