I Was Made to Love Magic

Nick Drake

I was born to love no one
No one to love me
Only the wind in the long green grass
The frost in a broken treeI was made to love magic
All its wonder to know
But you all lost that magic
Many, many years agoI was born to use my eyes
Dream with the sun and the skies
To float away in a lifelong song
In the mist where melody flies
I was made to love magicI was born to sail away
Into a land of forever
Not to be tied to an old stone grave
In your land of never
