

# Lights

## Zyclotron

I had a way then losing it all on my own  
I had a heart then but the queen has been overthrown  
And I'm not sleeping now, the dark is too hard to beat  
And I'm not keeping now, the strength I need to push me  
    You show the lights that stop me turn to stone  
        You shine it when I'm alone  
    And so I tell myself that I'll be strong  
    And dreaming when they're gone  
'Cause they're calling, calling, calling me home  
    Calling, calling, calling home  
    You show the lights that stop me turn to stone  
        You shine it when I'm alone  
            Home  
    Noises, I play within my head  
    Touch my own skin and hope that I'm still breathing  
And I think back to when my brother and my sister slept  
    In an unlocked place the only time I feel safe  
    You show the lights that stop me turn to stone  
        You shine it when I'm alone  
    And so I tell myself that I'll be strong  
    And dreaming when they're gone  
'Cause they're calling, calling, calling me home  
    Calling, calling, calling home  
    You show the lights that stop me turn to stone  
        You shine it when I'm alone  
            Home  
            Lights, lights, lights, lights  
            Lights, lights, lights, lights  
            (Home, home)  
            Lights, lights, lights, lights  
            Lights, lights  
    You show the lights that stop me turn to stone  
        You shine it when I'm alone  
    And so I tell myself that I'll be strong  
    And dreaming when they're gone  
'Cause they're calling, calling, calling me home  
    Calling, calling, calling home  
    You show the lights that stop me turn to stone  
        You shine it when I'm alone
