

# Like a Whistle

**Chronixx**

Can you hear me when I say  
Put your lighters in the air  
Lighters in the air  
If you know your heart clean like a whistle  
Like a whistle  
Heart clean like a little Whistle

Me and me bredda dem good  
Me never grudge Teflon  
Family me deal wid  
Me bun yes man  
Ina interview them ask nuff question  
Dem want know weh me born  
And weh me come from

Tell dem  
De La Vega St. Ann  
Dehso me born right on di trainline  
Ten and a Half say Chronixx a game time  
And if a bread and a half  
Me say me will share mine with them

Share it like a good news  
Cause me love me family like a cook food  
Late ina hours a night we cook food  
Every plate affi full up a rice and good stew

So let me see some lighters  
From you know say you feel alright  
Me say love defeat all evil  
Dah song yah affi clean heart people
