

# I Don't Want to Talk About It

[Rod Stewart](#)

I can tell by your eyes  
That you've probably been cryin' forever  
And the stars in the sky don't mean nothin' to you  
They're a mirror I don't wanna talk about it, how you broke my heart  
If I stay here just a little bit longer  
If I stay here won't you listen to my heart  
Oh my heart? If I stand all alone, will the shadow hide the colors of my heart?  
Blue for the tears, black for the night's fears  
The stars in the sky don't mean nothin' to you  
They're just a mirror I don't wanna talk about it, how you broke my heart  
If I stay here just a little bit longer  
If I stay here, won't you listen to my heart  
Oh my heart?
