

# Heaven's Open (feat. Daniel Johnson)

William McDowell

I hear the sound of rain,  
Coming  
I hear the sound of rain,  
Coming  
Come on come on do you hear it  
I hear the sound of rain,  
Coming  
It's coming ya'll  
I hear the sound of rain,  
Coming  
I wanna know do you hear it  
Come on somebody say it again say I hear the sound of rain,  
Coming  
Come on can you sense it in the atmosphere  
I hear the sound of rain,  
Coming  
I hear the sound  
I hear the sound,  
Of revival coming  
Yes lord  
I hear the sound,  
Of revival coming It's here! Now!  
If you believe shout to the Lord We believe that the heavens are opened  
A revival is here right now  
We declare it into this atmosphere  
Say heaven's open  
Heaven is open,  
Receive! Say heaven's open  
Yea  
Heaven is open,  
Receive!  
Say heaven's open  
Yea  
Heaven is open,  
Receive!  
Ohhhh  
Heaven is open,  
Receive!  
Ohh heaven's hey

Heaven is open,  
Receive!  
Revival is now  
Heaven is open,  
Receive!  
Just receive it Whatever you need  
Heaven is open,  
Receive!  
Receive revival  
Receive miracles  
Receive saves  
Receives can you hear it  
Call him down  
Call him down yea  
Heaven is open,  
Oh yes are you going to shout  
Receive! Yea yea
