

# Leave It Inside (Acoustic)

[Toby Lightman](#)

I see no need to go through the same situation  
Always so complicated with these relations  
So I got to get away, knowing that my heart will stray  
Handling more than I can, why the same old story again? I think it's time for a change 'cause I'm tired of these  
games  
I'm gonna leave it inside 'cause I'm alright on the outside  
And I'm tired of this rain and I'm tired of the shame  
I'm gonna leave it inside 'cause I'm alright on the outside Trying so hard to make it work out, but I can live  
without  
All of these silly games that I know nothing about  
This is getting way out of hand, fallin' down', unable to stand  
Emotions I've chosen to ignore, do I know what I'm looking for? I think it's time for a change 'cause I'm tired  
of these games  
I'm gonna leave it inside 'cause I'm alright on the outside  
And I'm tired of this rain and I'm tired of the shame  
I'm gonna leave it inside 'cause I'm alright on the outside I'm a little tired, I'm gonna leave it inside  
I'm a little tired, I'm gonna leave it inside I think it's time for a change 'cause I'm tired of these games  
I'm gonna leave it inside 'cause I'm alright on the outside  
And I'm tired of this rain and I'm tired of the shame  
I'm gonna leave it inside 'cause I'm alright on the outside I think it's time for change 'cause I'm tired of these  
games  
I'm gonna leave it inside, I'm gonna leave, I'm gonna leave it inside
