On Your Own

Jorja Smith

[Verse 1]
There ain't nothing left
Autographed my picture by my bed
What you think when you said don't, but you did
You let me think I [?] of this shit[Pre-Chorus]
Said you're tired of my problem plus a lot of big talk
Yeah I'm tired of being hushed now I'm all done talking to ya
One last thing for ya[Chorus]
So take it all
On your own tonight
You're all alone tonight
Wasted it all
By yourself tonight
You're by yourself tonight
[Verse 2]
This time I'm done
Even better now I've left you
But I've lost a lot of trust
Over time and I've got lost
Got hearts broke so I know why
I wouldn't trust
So I'mma build myself back in my own way
Go on and take you of your own ways[Pre-Chorus]
Now I'm all done talking to ya
One last thing for ya[Chorus]
So take it all
On your own tonight
You're all alone tonight
Wasted it all
By yourself tonight
You're by yourself tonight
[Bridge]
So take
All the love
And waste
Yourself tonight
So take
All the love
And waste

Yourself tonight[Chorus]
So take it all
On your own tonight
You're all alone tonight
Wasted it all
By yourself tonight
You're by yourself tonight
So take it all
On your own tonight
You're all alone tonight
Wasted it all
By yourself tonight
You're by yourself tonight
