

# Photographic (2006 Remaster)

## Depeche Mode

A white house, a white room  
The program of today  
Lights on, switch on  
Your eyes are far away  
The map represents you  
And the tape is your voice  
Follow all along you  
Till you recognize the choice I take pictures  
Photographic pictures Bright light  
Dark room  
Bright light  
Dark room I said I'd write a letter  
But I never got the time  
And I'm looking to the day  
I mesmerize the light
