

# I Really Love You

## Stereos

Yeah I really, really love you  
Nobody else will do  
That's why I love you  
That's why, why, why Yeah I really, really want you  
Nobody else will do  
That's why I love you  
That's why, why, why Well babe, you know I love you so  
I'd praise the world if you could know  
But when I see you coming down the street  
My heart skips a beat You, I really, really need you  
But then you played me for a fool  
Why do you do me like you do, do, do Well babe, you know I love you so  
I'd praise the world if you could know  
But when I see you coming down the street  
My heart skips a beat You, I really, really need you  
But yet you played me for a fool  
Why do you do me like you do  
Why do you do me like you do  
Why, why
