All Kinds Of People

John Farnham

There's a time for love and a time for healing
You can't go back and undo what's been done
The word of mouth, time is revealing
Just how far we've let this kingdom come
Hand to hand we're finding our way
And today is just tomorrow's yesterday
Some will die for you, some will lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world, yeah
Kiss of life, the hand of fate
The boy grows up into his father's son
And he learns to love, been taught to hate
To carry on the way it has been done
All our lives it's debts to repay
Maybe someday we can put the past away
Some will die for you, some will lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world
Some will die for you, some will lie to you
There's all kinds of people in this world
Turn your fear away, find a better way
There's all kinds of people in this world, yeah

Then in a moment things can change
One look behind, it's never the same
Some will die for you, some will lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world
Some will die for you, some will lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world
Some will die for you, some will lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world

Some will die for you, some will lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world
Some will die for you, some will lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world
