

# Love Is War

## Kessler

Cold air the lights  
Are out tonight  
The streets are wet  
As I walk  
This lonely stretch  
From my house  
To your house  
Anticipation  
Running  
Through my veins  
Hopes are high  
And my heart  
Is in my throat  
It's now or never  
So I've got to get  
It out for good  
Tonight I will sing  
Just one song  
All the words  
I've held onto so long  
Will come out  
They will come out  
What you need to hear  
I'll finally say  
Planned  
Out the things  
I would say  
Stay outta sight  
Not to give it away  
I'm writing lines  
To win  
Your heart tonight  
I know you've been  
Through this before  
I swear I'm different  
But I'm willing  
To wait  
I lied when I said  
I never had it  
Bad for you  
Your like the air  
That I'm beggin for

And I'm dying to live  
Your like the air  
That I'm beggin' for  
And I'm dying to catch  
My breath this time
