Ain't Got You

Blue

I say Blue, you say what
Blue, what, Blue, what
I say Blue, you say what
Blue, what, Blue, what
I say Blue, you say what
Blue, what, Blue, what
If you think I got it all
By the way that I'm living
Fast money on a roll
Then I think you be mistaken
If you think I have enough
Got more that I'm needing
It's not like that at all
You don't have to believe me
If I'm not what you're looking for
Please tell me and I will go
I'm not gonna waste your time
Please tell me if you wanna be mine
Got a shelf full of books, so?
Got a room full of clothes, so?
Got a house that I stay, so?
I ain't got you
Got a box full of shoes, so?
Got a brand new phone, so?
Got the studio booked, so?
I ain't got you
Now you know what I'm about
And the streets that I come from
Unreasonable doubt
Don't tell me that you have none
On top of the world
Like nothing's missing
Never thought I need a girl
But then I found myself wishing
If I'm not what you're looking for
Please tell me and I will go
I'm not gonna waste your time
Please tell me if you wanna be mine
Got a shelf full of books, so?

Got a room full of clothes, so?
Got a house that I stay, so?
I ain't got you
Got a box full of shoes, so?
Got a brand new phone, so?
Got the studio booked, so?
I ain't got you
I say Blue, you say what
Blue, what, Blue, what
I say Blue, you say what
Blue, what, Blue, what
I say Blue, you say what
Blue, what, Blue, what
I say Blue, you say what
Blue, what, Blue, what
I try every single day too
Get by every night I pray too
Survive everything I say and do
I try every single day too
Get by every night I pray too
Survive everything I say and do
Got a shelf full of books, so?
Got a room full of clothes, so?
Got a house that I stay, so?
I ain't got you
Got a box full of shoes, so?
Got a brand new phone, so?
Got the studio booked, so?
I ain't got you
Got a shelf full of books, so?
Got a room full of clothes, so?
Got a house that I stay, so?
I ain't got you
Got a box full of shoes, so?
Got a brand new phone, so?
Got the studio booked, so?
I ain't got you
I say Blue, you say what
Blue, what, Blue, what
I say Blue, you say what
Blue, what, Blue, what
I say Blue, you say what
Blue, what, Blue, what
I say Blue, you say what
Blue, what, Blue, what

I ain't got you
