

Steal My Heart, Waste My Time

Poor Bishop Hooper

I was a feeling that you'd never had
There was no reason but you called me back
And you hated it
Lord you hated it

I had a taste for all the finer things
My appetite didn't know how to fit you in
And I hated it
And I hated it

Don't you worry dear
Just hear me say it now

Come on girl
Drink me up
Pour me out again and fill your cup
Take all you want till you've had enough
Steal my heart
Waste my time
Tell me you love me then change your mind
Whatever the ending it was worth the ride

I was a sickness that you couldn't shake
I was a slow itch that you couldn't make go away

Me and my dreams are in my morning mirror
Everyone could see it loud and clear on my face
And I hated it

Don't you worry dear
Just hear me say it now

1

Come on girl
Drink me up
Pour me out again and fill your cup
Take all you want till you've had enough
Steal my heart
Waste my time
Tell me you love me then change your mind

Whatever the ending it was worth the ride

I would be lying just a little
To say that I'm not in the middle
Of wishing for more than the feeling I get in your arms

Come on girl
Drink me up
Pour me out again and fill your cup
Take all you want till you've had enough
Steal my heart
Waste my time
Tell me you love me then change your mind
Whatever the ending it was worth the ride
Whatever the ending it was worth the ride
