

# My Final Chapter (Orchestral Version)

## Serenity

On the edge of life  
It's time to step behind  
Of all the things that you have done  
The book with all my lines  
the meanings you may find  
Will change the world forever Here I lay all alone  
It's my final chapter  
Time to leave  
Time to die  
My light starts fading out  
Your magic I just found  
You led me on my path of truth  
As desperate grateful son  
recalling dark years gone  
while kneeling here so close to you  
Here I lay all alone  
It's my final chapter  
Close to you  
Close to reach the only one I ever loved  
Your fields so green, your bluest sky  
Beneath the deepest water  
My everything  
It's time to die Lay all alone...Lead my soul close to you
