

Down Through the Night

Hawkwind

Down down and down,
Down down and down
As we spin through the night
With ever increasing mightDown down and down,
Down down and down
Returning volumes of sound
Into the blackness we drownRound round and round,
Round round and roundAs we lay in our sleep
The appointment we keep
Down down and down,
Down down and downOnly the rushing is heard
Onward flies the bird
Deep, deep, and deep,
Must we sink in our sleepDown down and down,
Down down and down
Round round and round,
Returning volumes of sound
Returning volumes of sound...
