So Sad To Say

The Mighty Mighty Bosstones

I'll let you in on how I'm feeling
You've got a lot of nerve
You'll get what you deserve
Granted this feelings unappealing

I'm bitter, I'll admit
Now I've gotta deal with it
Just one more thing okay
It so s-sad to say, it's,

So sad to say
What we had has gone away
Ya could say its sad
Think of what we could have had

I'll let you out without resistance
Parting this way is not,
The way we ever thought, in fact
I always thought we'd go the distance

But we went nowhere quick
So sad it makes me sick
Just one more thing okay
Its so s-sad to say, it's,

So sad to say
What we had has gone away
Ya could say it's sad
Think of what we could have had

My animosity has, got the best of me
It been feeding off of sadness deep inside that'll fade I pray
And in time it will I know
So far its fading slow
Just one more thing okay
It's so s-sad to say, it's,

So sad to say
What we had has gone away
Ya could say it's sad

Think of what we could have had
So sad to say
So sad to say
