

# Love Is the Thing You Need

## Jackson 5

Love is the thing you need Ooh, I know a fortune teller, a very freaky fella  
How 'bout you like me to tell ya  
(Love is the thing you need)  
Let me say now, a family physician, gave me a prescription  
For a nice disposition  
(Love is the thing you need) So, when all your frustrations don't receive no medication  
How bad you feel, oh, it's just unreal  
Oh, you can't get no satisfaction when your mind is overacting  
And you don't give your self the love you need So get on up and get down, down, down  
With some good ol' funky, funky love  
(Love is the thing you need)  
Fellas  
(Love is the thing you need)  
Ah, hit it Make you feel so good  
Make your body shake like crazy  
Give yourself a get and go, yeah  
(Love is the thing you need)  
The midnight hour (Love is the thing you need)  
(Love is the thing you need)  
(Love is the thing you need)  
Sing it again  
(Love is the thing you need) (Love is the thing you need)  
When that somebody finds you down  
(Love is the thing you need)  
Love comes up from underground  
(Love is the thing you need) Oh, love  
(Oh, love) Yeah, some people they don't know that it's the only way to go  
If you wanna live a happy, happy life yeah, yeah  
Oh, there ain't no doubt about it, we just can't live without it  
No we can't, no we can't, sing it to me children (Love is the thing you need)  
One more time, yeah  
(Love is the thing you need)  
Sing it, yeah  
Once a day, twice a day, everyday  
(Love is the thing you need) What you say now  
Once a day, twice a day  
Good God, everyday  
(Love is the thing you need) You gotta, gotta have love  
You gotta, gotta have love

You gotta, gotta have love  
Y'all know what I'm talkin' about (Love is the thing you need)  
You gotta, gotta have love  
You gotta, gotta have love  
You gotta, gotta have love  
Love is the thing you need  
Don't you stop, don't you stop
