

Redemption Song

Eternal

Oh pirates, yes they rob I
Sold I to the merchant ships
Minutes after they took I
From the bottomless pit But my aim was made strong
By the hands of the almighty
We fought in this generation
Triumphantly Won't you help to sing
These songs of freedom
'Cause all I ever had Redemption song
Redemption song Emancipate yourselves from mental slavery
None but ourselves can free our minds
Have no fear for atomic energy
'Cause none of them can stop the time How long shall we kill our prophets
While we stand aside and look
Some say it's just a part of it
We've got to fulfill the book Won't you help to sing
These songs of freedom
It's all I ever had Redemption song
Redemption song
Redemption song Emancipate yourselves from mental slavery
None but ourselves can free our minds
Have no fear for atomic energy
'Cause none of them can stop the time How long must we kill our prophets
While we stand aside and look
Some say it's just a part of it
They've got to fulfill the book I wanna say
Won't you help to sing
These songs of freedom
'Cause all I ever had Redemption song All I ever had
Redemption song
All I ever had
Redemption song These songs of freedom
These songs of freedom
These songs of freedom
These songs of freedom Redemption song
These songs of freedom
