ALM: UK

Love unfailing truth unchanging
I depend on You
Faithful Father peace forever
I will rest in YouUnshakable my hope remains
Lord I believe in YouYou are strength for those in need
You are defender of the weak
You are everything we need
You are our God You are our GodGod of mercy I will live in praise of all You've done
God eternal by Your power I will overcomeNone greater none higher
All praise to God our Savior
Unchanging unfailing
All praise to You our Savior
