

I Swear

Warhead

...with his last words in the death chamber he swears,
he would never kill again...I swear, I'd never fail again
I swear, I'd never fail again
I swear, I'd never fail again
I swear, I'd never fail again Well-devised from the start
No matter what I learned
Where's the hand that I could hold
I never could return
I'm buckled on this cross-like desk
The witnesses await
I made my life a one-way street
Pathetic lonely case
