Become The Enemy

Like a Storm

You've become the enemy
I hate you for what you'd be called
I hate you, you know what you don't
You can look me in the eye
but I want you to see
I won't be the lifeline
When you will be the death of me
You've become the enemy
But you won't be the end of me
You've become the enemy
Stole my soul
It's like you died before you were born
You're like Jesus Christ with devil's horns
Sucking me down in your black hole
Give back the life the life you stole
I hate you for what you'd become
how you effort the thing that you'd done
So look me in the eye
Cause I want you to see
I won't be the lifeline
When you will be the death of me
You've become the enemy
But you won't be the end of me
You've become the enemy
Stole my soul
It's like you died before you were born
You're like Jesus Christ with devil's horns
Sucking me down in your black hole
give back the life the life you
stole
It's like you died before you were born
You're like Jesus Christ with devil's horns
Sucking me down in your black hole
give back the life the life you
Stole
You've become the enemy
But you won't be the end of me
You've become the enemy
Give back the life

The life you
stole
