

Sometimes When It Rains

Popium

Yea Its 50

1 shot 1 kill whats the deal, yea whats the deal

Chorus:

listen, lil homie when it rains it pours
hollow tips and talans when it rains it pours
get caught in lead showers just becuz
niggas aint playin when it rains it pours
niggas get setup so when it rains it pours
end up wet up cuz when it rains it pours
but usually cuz goes down over money and whores
but lil homie in my hood when it rains it pours

Verse 1:

aint nothing change niggas doin the same ol shit
them little hollow tips and them same ol clips
in the projects niggas f**k with the same ol chicks
and somehow they still think they game so sick
now I'm fit'n ta rip, niggas know im about my grip
i dont trip man i barely even feed a bitch
she say im stingy i say i dont need you bitch
go ahead leave see if i chase you shit
tell your mami i catch her in the street ima get her
she no im on parrol why she call police on a nigga
she just mad cuz a nigga pocket on swole
when she ask to borrow something i say hell nooo
i was tellin the lil homies all about this shit
so keep your mind on your money and dont trust no bitch
Kiki hit high notes when those pigs came
but her ass kinda fat so niggas treat her the same
this is real

Chorus:

lil homie when it rains it pours
hollow tips and talans when it rains it pours
get caught in lead showers just becuz
niggas aint playin when it rains it pours
niggas get setup cuz when it rains it pours
end up wet up cuz when it rains it pours
but usually it goes down over money and whores
but lil homie in my hood when it rains it pours

Verse 2:

there was blood stains on my stoop when Niball got shot
when homicide outside, nigga im not
this is the 3rd time dem niggas circled the block
There's money out now, yea but damn its hot
they'll love to catch a nigga on a direct sale
They say "Tell us who caught the body or your going to jail"
look if u know the drill u stay the f**k outta the dodge
and say "whats happenin?" to the captin and "whats up?" to the sarge
f**k being in the cage man that shit for the birds
Charlie drunk drinking Wild Irish Rose on the curb
in the number spot full of niggas tryin to bet a few bucks
hoping they number come out they can have um some luck
went from the ace to the duce stumbled off mad
lost his reup money man thats all he had
magazine from the store so he can look at the cars
and do pullups at the park on the monkey bars
mad as f**k

Chorus:

lil homie when it rains it pours
hollow tips and talans when it rains it pours
get caught in lead showers just becuz
niggas aint playin when it rains it pours
niggas get setup cuz when it rains it pours
end up wet up cuz when it rains it pours
but usually it goes down over money and whores
but lil homie in my hood when it rains it pours
