Feeling Fine

Dylan Rockoff

In my world
I don't worry darling
I just smile cause you're by my side
and now your eyes open up every morning
to the love that shines in mine
and i see it in yours too so now i sing to you
when you go leave me here all alone
ill be waiting, we can make it because i know
that after all this time
you read between these lines

Feeling Fine
cause you said this is all you want
no more playing or all this waiting
i call you mine
i know you feel the same as i do
no more playing wishing waiting
i was taken baby

reminiscing on the time that we first met
i was tongue tied stupefied what was it that i said
probably something foolish that didn't make much sense
but you remembered a year later when i saw you next

when i told ya, that i need to hold ya
you said come right on over, i could not wait to show ya
i cherish all your lines, and after all this time

you were turning me up and you were turning me on
you woke me up at the break of dawn
i told you baby I'm so far gone
but i was sneaking out, and i was sneaking in, back into your room again
oh honey please, can't you see what i see, this is the way it should be

this is the way it should be
