Lil' Troy

Wanna be a baller, shot caller

A better way, better way, yeahI hit the highway, everything's my way, I parley
Everyday all day, ain't no way
Boys can't stop as I slide through your neighborhood
Chop, chop, chop, headed straight to the top
I only play to win 'bout to close up shopShow stoppin' dead end, pimp the pen once again
Peep the message I send

Take these levels that you devils can't comprehend
Big bout it Benz as I floss through the south
Big blue lens now whatcha talkin' about?Close yo' mouth as I settle all scores
Scream and shout my similes and metaphors
Mansion doors I constantly close
All you hoes go and take off your clothes
Lord knows ain't no time to play
Commence to fuckin' and-a suckin' on the H.A.W.K.Wanna be a baller, shot caller
Twenty inch blades on the Impala
A caller gettin' laid tonight
Swisher rolled tight, gotta sprayed by Ike
I hit the highway, making money the fly way
But there's got to be a better way
A better way, better way, yeah
