

# Cross My Mind

## ARIZONA

I know I haven't been perfect, but give it some time  
Cause not a single day goes by where you don't cross my mind  
And we spend our lives looking for things we can't find  
Oh, but not a single day goes by where you don't cross my mind  
All the days spent on my mind  
All the times that I'd say that we'll be together, we'll be together, oh  
All the ways to see through my heart  
I know the good intentions, they won't be lost forever, won't be lost forever  
And I know I haven't been perfect,  
but give it some time  
Cause not a single day goes by where you don't cross my mind  
And we spend our lives looking for things we can't find  
Oh, but not a single day goes by where you don't cross my mind  
All the hours spent on the line  
All the times that you'd say that I never listen, I never listen  
Through the conversations we've had 'til 4 AM  
You say you want something different, want something different  
And I know I haven't been perfect, but give it some time  
Cause not a single day goes by where you don't cross my mind  
And we spend our lives looking for things we can't find  
Oh, but not a single day goes by where you don't cross my mind  
But not a single day goes by where you don't cross my mind  
Not a single day goes by where you don't cross my mind  
But not a single day goes by where you don't cross my mind  
I know I haven't been perfect, but give it some time  
Cause not a single day goes by where you don't cross my mind  
And we spend our lives looking for things we can't find  
Oh, but not a single day goes by where you don't cross my mind  
Not a single day goes by where you don't cross my  
Oh, not a single day goes by where you don't cross my mind
