Guess Who Batman

Lily Allen

Look inside
Look inside your tiny mind
Then look a bit harder
Cos we're so uninspired
So sick and tired
Of all the hatred you harbour
So you say
It's not okay to be gay
Well I think you're just evil
You're just some racist
Who can't tie my laces
Your point of view is medievalFuck you, fuck you very very much
Cos we hate what you do
And we hate your whole crew
So please don't stay in touch
Fuck you, fuck you very very much
Cos your words don't translate
And it's getting quite late
So please don't stay in touchDo you get
Do you get a little kick out of being small minded
You want to be like your father
His approval your after
Well that's not how you'll find it
Do you
Do you really enjoy living a life that's so hateful
Cos there's a hole where your soul should be
You're losing control of it
And it's really distastefulFuck you, fuck you very very much
Cos we hate what you do
And we hate your whole crew
So please don't stay in touch
Fuck you, fuck you very very much
Cos your words don't translate
And it's getting quite late
So please don't stay in touch
