# Liar

## Farewell Milwaukee

You will always be forgotten
When youâ€™re in an empty room
And you will always call me darlinâ€™
When I push you down the stairs
And I have relapses of your memory
The pain is getting awful bad
Cause the moneyâ€™s in your eyes
The pain is in my tar-stained heart

When I come up to meet you
Donâ€™t believe a word I say
Cause Iâ€™ll always be mistaken
And I turn away and lieâ€¦ Oh, Iâ€™ll lie
Honey, I'll lie (x4)

So letâ€™s sit down at the diner
And salute to better days
Cause â€˜til then the clock is tickinâ€™
Man, this time will drive us insane

When I come up to meet you
Donâ€™t believe a word I say
Cause Iâ€™ll always be mistaken now, darlinâ€™
And I turn away and lieâ€¦ Oh, Iâ€™ll lie
Honey, I'll lie (x4)

When I come up to meet you
Donâ€™t believe a word I say
Cause Iâ€™ll always be mistaken, baby
And I turn away and lieâ€¦ Oh, Iâ€™ll lie
Honey, Iâ€™ll lie (x4)
