Champion

Bonfire

I gotta tell you a story
About a man who split the night
Now he's comin' back to win the fight - alright
Some people hate him

But a winner never quits
When he's rollin' he's a one man blitz - look out
High explosive - like a keg of dynamite
His voice is roaring through the night

[Chorus]
Here I stand - on my feet again
Don't you know that I'm a champion
Here I go - so come on Rock'n'Roll
I'm gonna show you once again
I'm a champion

People say he's crazy
And he's up around the bend
That's what it takes to be champion
No guts - no glory always

Shoot your hottest shot
You gotta strike it while you're hot - red hot
One of a kind - that the world has never seen
Still movin' like he's seventeen

[Chorus]
