

# Sometimes

**Bill Anderson**

Hello Beautiful, are you married? Sometimes  
Tell me, are you happy? Yes, sometimes  
But sometimes I feel like I've just got to get away  
From the same old existence, day after day  
Oh, haven't you ever felt that way? Sometimes I see you're married, don't you love her? Sometimes  
But you have thoughts of cheating, haven't you? Yes, sometimes  
Sometimes I long for a warm, tender kiss  
Just to see if there's anything I might have missed  
Oh, haven't you ever felt like this? Sometimes And it's beginning to feel  
Like this might be one of those sometimes  
Those one time in a lifetimes  
I'm aching to hold you, kiss and console you  
Drive you right out of your mind  
But I know when I do, I won't get over you  
For quite some time I'm aching to hold you, kiss and console you  
Drive you right out of your mind  
But I know when I do, I won't get over you  
For quite some time
