

Pay Dearly

JOHNNYSWIM

Verse 1

I hope you're not hoping I fall to pieces.
I'm not losing sleep, I'm not beggin' please
You won't find me weepin'.
Oh can't you see? The seeds you've sown are ripe for reepin'.
You picked a fight but you got a war.
Like a fire needs a flood.Chorus

I want you to pay dearly
For what you stole from me.
Say that you owe, I'll burn down the door
I want it paid to me.
It's that easy, oh.
Woah, woah, woah.Verse 2
You lit the spark, now you've been marked,
No use in tryin'.
It's clear to face you've wounded grace
Stop your cryin'.

Oh, oh can't you see? It's time you pay the price for buyin'
A fight you know you can't finish,
It ain't over till it's done.Chorus
I want you to pay dearly
For what you stole from me.
Say that you owe, I'll burn down the door
I want it paid to me.I want to look in your eyes
See them looking back at mine.
All that and more
To settle the score
I want it paid to me.
It's that easy...Bridge

Oooo, oooo
Oooo, oooo
I said it once, and now I'll say it more:
When I get you I won't let you go!Chorus
I want you to pay dearly
For what you stole from me.
Say that you owe, I'll burn down the door
I'll get it paid to me.I want to look in your eyes
See them looking back at mine.
All that and more

To settle the score
I want it paid to me.
It's that easy, oh.
Woah, woah.
It's that easy...
