

New Revolution

[Gin Wigmore](#)

Hey, can you heal these broken bones?
Hey, can you guide the thoughts we own
Help, with a question I need to know
We will rise to burn
If you let this go In the dark of day
Teach us love again
Pray we stay for The new revolution is here
And the road to redemption is here
Come hell or high water babe
Well keep movin on Please, will you Mr.
Show me hope
Please, tell my mother to carry on
Stand up, little darling
Ive been told to stand up and fight, for living strong In the dark of day
Teach us love again
Pray we stay for The new revolution is here
And the road to redemption is here
Come hell or high water babe
Well keep movin on Yeah, yeah, yeah
Well keep movin on
Well keep movin on
Woah, yeah The new revolution is here
And the road to redemption is here
Yeah, yeah, yeah
Come hell or high water babe
Well keep movin on
Yeah, well keep movin on
