

Already There

Emily King

From where I'm standing
Lord it's so hard for me to see
 Where this is going
And where You're leading me
 I wish I knew how
All my fears and all my questions
 Are gonna play out
 In a world I can't control
 Oh, woah
 When I'm lost in the mystery
 To You my future is a memory
 Cause You're already there
 You're already there
 Standing at the end of my life
 Waiting on the other side
 And You're already there
 You're already there
 woah, woah, woah, woah
 From where You're standing
 Lord, You see a grand design
 That You imagined
When You breathed me into life
 And all the chaos
 Comes together in Your hands
 Like a masterpiece
 Of Your picture perfect plan

When I'm lost in the mystery
To You my future is a memory
 Cause You're already there
 You're already there
 Standing at the end of my life
 Waiting on the other side
 And You're already there
 You're already there
 One day i'll stand before you
 And look back on the life I've lived
 I can't wait to enjoy the view
 And see how all the pieces fit

One day I'll stand before you and
Look back on the life I've lived
I can't wait to enjoy the view
And see how all the pieces fit
One day I'll stand before you
Look back on the life I've lived
Cause You're already there
You're already there
When I'm lost in the mystery
To you my future is a memory
Cause you're already there
Already there
Standing at the end of my life
Waiting on the other side
And you're already there
You're already there
You're already there
