Alone

Zebrahead

I broke down on a Japanese street
Words unsaid, they scar so deep
Bullshit, Palanuik both make me choke
Too much JD, too much cokeShe says, "Speed up, I want to go faster"
She holds on but I outlast her
Build it up but what does that matter
We can build it up but we always watch it shatter(Get up, get up)
The house is on fire
(Get up, get up)
I wanna get higher
(Get up, get up)
You mother fucking liar
You make me feel aloneI burned out in Shibuya station
Lost all my friends, hazard occupation
Manic Compression like quicksand slip
Ate too many mushrooms, I'm gonna be sickShe says, "Slow down, you're going through the motions"
I start to crash like a plane in the ocean
Build it up but what does that matter
When the shit goes down, we all fucking scatter(Get up, get up)
The house is on fire
(Get up, get up)
I wanna get higher
(Get up, get up)
You mother fucking liar
You make me feel alone(Get up, get up)
The house is on fire
(Get up, get up)
I wanna get higher
(Get up, get up)
You mother fucking liar
You make me feel aloneNever said I wanted to try
Never said I wanted to live this lie
All you said was goodbye
All I ever said was to get me out of hereI focus on the flame
(Set it off)
Wasted, what a shame
(Set it off)
Focus on the flame
(Set it off)

We were once the same
(Set it off)(Get up, get up)
The house is on fire
(Get up, get up)
I wanna get higher
(Get up, get up)
You mother fucking liar
You make me feel alone(Get up, get up)
The house is on fire
(Get up, get up)
I wanna get higher
(Get up, get up)
You mother fucking liar
You make me feel aloneNever said I wanted to try
Never said I wanted to live this lie
All you said was goodbye
All I said was to get me out of here(Get up, get up)
The house is on fire
(Get up, get up)
I wanna get higher
(Get up, get up)
You mother fucking liar
You make me feel alone
