

Humdrum

The Corrs

I wannaHey you're too true to be good
And I'm too bad to pretend
Transparent and transfixed, I'm uncool
Heart beat you're looking at me
Must stop I'm letting you see
This isn't how I want to beI have visions like no other
So romantic you'll discoverI wanna take you for granted, drift while you're talking
Bath while you're downstairs and chat on the phone
Fall asleep before bedtime, pass in the hallway
Forget your birthday and shrink all your clothesI wannaThis is every girl's dream
No milk left for your tea
Baby's crying louder than me
Who lost the keys of your car
Sorry that would be me
I'd wake up only I'm not asleepI have daydreams of another
So romantic you'll discoverI wanna take you for granted, drift while you're talking
Bath while you're downstairs and chat on the phone
Fall asleep before bedtime, pass in the hallway
Forget your birthday and shrink all your clothesI wanna
I wannaI have visions like no other
So romantic you'll discoverI wanna take you for granted, drift while you're talking
Bath while you're downstairs and chat on the phone
Fall asleep before bedtime, pass in the hallway
Forget your birthday and shrink all your clothesLet me take you for granted, drift while you're talking
Bath while you're downstairs and chat on the phone
Fall asleep before bedtime, pass in the hallway
Forget your birthday and shrink all your clothesI wanna
I wanna
Did I say that out loud?
I wanna
