

# 3AM

## Poets of the Fall

More than you know it, i'm aware  
Of this connection that we share  
Yeah I know it seems like sometimes I don't care  
But you are the colours that I wear  
It's been a few hours, nearly dawn  
You've been real quiet all along  
Now I cannot help but think there's something wrong  
Hey baby what's going on? 3 AM we seemed alright (Couldn't be better, couldn't be better)  
On our way into the light  
Now 3 AM is gone  
Along with where there's nothing wrong  
3 AM we seemed alright If I have been thoughtless, let me know  
I can take a hint you know  
Though i'm a little slow  
Just don't keep it in you  
Lest it take root and grow  
The bottom line here is I love you so 3 AM we seemed alright (Couldn't be better, couldn't be better)  
On our way into the light  
Now 3 AM is gone  
Along with where there's nothing wrong  
3 AM we seemed alright 3 AM we seemed alright (Like never better, like never better)  
We're on our way into the light  
Now 3 AM is gone  
Along with where there's nothing wrong  
3 AM we seemed alright Ooooh 3 AM we seemed alright (Couldn't be better, couldn't be better)  
On our way into the light  
Now 3 AM is gone  
Along with where there's nothing wrong  
3 AM we seemed alright Ooooh 3 AM we seemed alright (Like never better, like never better)  
On our way into the light  
Now 3 AM is gone  
Along with where there's nothing wrong  
3 AM we seemed alright
