

Skin and Bones

Raffi

There was an old woman of skin and bones

Uh uh uh uh

She lived down by the old grave yard

Uh uh uh uh

One night she thought she'd take a walk

Uh uh uh uh

She walk down by the old grave yard

Uh uh uh uh

She saw the bones a'laying around

Uh uh uh uh

She went to the closet to get her broom

Oh oh oh oh

She opened the door and

Boo
