

Get Away

Jessie J

Why does it feel like I'm living through you
Tell me why I'm addicted to you
Cause I don't even know
Chasing this cause we think we want it
But we can't breathe cause the air is toxic
So tell me where to go
It's a thin, thin line
To admit or deny, yeah yeah

Ours is a different kind of love
It used to be saving us,
Now it's just breaking us
It's not about just giving up
We knowing we're not safe enough

Get away, get away, get away
Get away, get away, get away-y-y
Get away, get away, get away, mmm

Do I stay 'cause you say you need me
I craved it more when it isn't easy
How am I supposed to grow?
It won't fix 'cause I say I love you
I need to show but I don't know how to
How am I supposed to grow?

It's a thin, thin line
To admit or deny, yeah yeah
Ours is a different kind of love
It used to be saving us,
Now it's just breaking us
It's not about just giving up
We knowing that safe enough

Get away, get away, get away
Get away, get away, get away-y-y
Get away, get away, get away, mmm

Get away, get away, get away
Get away, get away, get away-y-y

Get away, get away, get away, mmm

Yeah, yeah
Yeah, yeah
Get away, mmm
Yeah, yeah
Yeah, yeah
Oooh

Ours is a different kind of love
It used to be saving us,
Now it's just breaking us
It's not about just giving up
We knowing we're not safe, safe
Ours is a different kind of love
It used to be saving us,
Now it's just breaking us
It's not about just giving up
We know we're not safe enough

Get away, get away, get away
Get away
Get Away-ay
