Let's Stay Together

Craig David

I I'm so in love with you
Whatever you want to do
Is alright with me
You make me feel so brand new
And I want to spend my life with you
Saying since baby since we've been together
Oh loving you forever
Is what I need
Let me be the one you come running to
I'll never be untrue
Baby let's let's stay together
Loving you whether whether
Times are good or bad, happy or sad

You've got me dreaming about your love baby
I'm so into you, I'm so into ya
Whether times are good or bad, happy or sad
Why somebody why people break up
Turn around and make up
I just can't see
You'd never do that to me
(would you baby?)
Cos being around you
Is all I see
Heres' what I want us to
Let's...repeat chorus
Let's stay together baby
