

When You Say Nothing at All

Endless Summer

It's amazing how you can speak right to my heart.
Without saying a word you can light up the dark.
Try as i may i could never explain
what i hear when you don't say a thing. The smile on your face let's me know that you need me.
There's a truth in your eyes saying you'll never leave me.
The touch of your hand says you'll catch me if ever i fall.
You say it best, when you say nothin at all.
All day long i can hear people talking out loud. But with you holdin me you can drown out the crowd.
Try as they may they could never define
what's being said between your heart and mine.
The smile on your face let's me know that you need me.
There's a truth in your eyes saying you'll never leave me.
The touch of your hand says you'll catch me if ever i fall.
You say it best, when you say nothin at all.
