It's friday  
I'm fucked up  
And if you feel the same  
Put your cups up  
All my bad bitches  
Put your hands up  
And all you ugly bitches  
Shut the fuck up.

Shut the fuck up

And all you ugly bitches  
Shut the fuck up.

Ridin that camaro  
All my bitches yolo  
Smoking on that Robert  
Gettin' that De Niro  
Keep the hoes in the back  
6-4 up and down  
Keep that juice box wet watch your boyfriend down  
Hey look i'm ridin' round in your city

And if you want this cake  
Take that shit to the face

It's friday

And if you feel the same  
Put your cups up  
All my bad bitches  
Put your hands up  
And all you ugly bitches  
Shut the fuck up.

And all you ugly bitches  
Shut the fuck up.
