## The Used

From the way that you acted  
To the way that I felt it  
It wasn't worth my time  
Now it's sad, 'cause all I missed  
Wasn't that good to begin with Now I've started you begging  
Saying things that you don't mean  
It isn't worth my time  
Nine's a dime, million times  
And I'm about to see all of them Goodbye to you, goodbye to you  
You're taking up my time  
Goodbye to you, goodbye to you  
You're taking up my time Goodbye to you, goodbye to you  
You're taking up my time  
Goodbye to you, goodbye to you You call my name when I wake up  
To see things go your way  
I'm coughing up my time  
Each drag's a drop of blood, a grain  
A minute of my life It's all I've got just to stay down  
Why the fuck I'm still down?  
I'm hoarding all that's mine  
Each time I let just one slip by  
I'm wastin' what is mine Goodbye to you, goodbye to you  
You're taking up my time  
Goodbye to you, goodbye to you  
You're taking up my time Goodbye to you, goodbye to you  
You're taking up my time  
Goodbye to you, goodbye to you My time  
My time  
My time I'm about to see a million things  
I've thought I'd never seen before and I  
I'm about to do all of the things I dreamed of  
And I don't even miss you at all I'm about to see a million things  
I've thought I'd never seen before and I  
I'm about to do all of the things I dreamed of  
And I don't even miss you at all Goodbye to you, goodbye to you  
You're taking up my time  
Goodbye to you, goodbye to you  
You're taking up my time Goodbye to you, goodbye to you  
You're taking up my time

Goodbye to you, goodbye to you  
You're taking up my time  
Goodbye to you, goodbye to you  
You're taking up my time  
Goodbye to you, goodbye to you  
You're taking up my time  
Goodbye to you, goodbye to you  
You're taking up my time  
Goodbye to you, goodbye to you  
You're taking up my time  
Goodbye to you, goodbye to you
