

Work Song

Hozier

Boys workin' on empty
Is that the kinda way to face the burning heat?
I just think about my baby
I'm so full of love I could barely eat
There's nothing sweeter than my baby
I'd never want once from the cherry tree
'Cause my baby's sweet as can be
She give me toothaches just from kissin' me When, my, time comes around
Lay me gently in the cold dark earth
No grave can hold my body down
I'll crawl home to her That's when my baby found me
I was three days on a drunken sin
I woke with her walls around me
Nothin' in her room but an empty crib
And I was burnin' up a fever
I didn't care much how long I lived
But I swear I thought I dreamed her
She never asked me once about the wrong I did When, my, time comes around
Lay me gently in the cold dark earth
No grave can hold my body down
I'll crawl home to her When, my, time comes around
Lay me gently in the cold dark earth
No grave can hold my body down
I'll crawl home to her My baby never fret none
About what my hands and my body done
If the Lord don't forgive me
I'd still have my baby and my babe would have me
When I was kissing on my baby
And she put her love down soft and sweet
In the lowland plot I was free
Heaven and hell were words to me When, my, time comes around
Lay me gently in the cold dark earth
No grave can hold my body down
I'll crawl home to her When, my, time comes around
Lay me gently in the cold dark earth
No grave can hold my body down
I'll crawl home to her
