

Lift Me Up

Backstreet Boys

Liftin' me up, me up, me up, me up. Liftin' me up, me up, me up, me up...

When I'm down on my luck and I'm searching for my soul

When I'm feeling too much and I start to lose control

When I'm down so low that even enemies don't wanna know

You still care for me, say a prayer for me, and I know

Oooh, I like you hangin' around

'Cause you lift me up when I am upside down

Oooh, you are my favorite sound

'Cause you're always down for

Lifting me up like an angel when I hit the ground

Feel your arms all around me when I'm feeling down

Lift me up like an angel when I hit my low

When your arms are around me

I don't wanna let you go

When I'm lost along the way and I can't face another day

And if I stumble on the road and if I can't carry the load

And if I lose my faith, and kindness, and generosity

Would you hold my hand?

Say you understand my pain

Oooh, I like you hangin' around

'Cause you lift me up when I am upside down

Oooh, you are my favorite sound

'Cause you're always down for

Lifting me up like an angel when I hit the ground

Feel your arms all around me when I'm feeling down

Lift me up like an angel when I hit my low

When your arms are around me

I don't wanna let you go

It's been a long hard road, and it's only just begun, my friend

And this I know

You helped me carry the load

'Cause you're always down for

Lifting me up like an angel when I hit the ground

Feel your arms all around me when I'm feeling down

Lift me up like an angel when I hit my low

Well, you're always around

You're my favourite sound

Lift me up like an angel when I hit the ground

Feel your arms all around me when I'm feeling down
Lift me up like an angel when I hit my low
When your arms are around me
I don't wanna let you go
I don't wanna let you go
'Cause you lift me up now
Well, you're always around..
You're my favourite sound
Lift me up now
You lift me up
Lift me up now
Yeah, you're always around
You're my favourite sound
Lift me up
